

REQUIRED
FIRE ALARM TECHNICIANS
“ELECTRICAL & FIRE SERVICES PTY LTD”

Electrical & Fire Service Pty Ltd is a locally owned, well established company committed to delivering high quality commercial and industrial, fire & electrical projects, installation & maintenance here in Darwin, surrounding and remote areas.

There is an immediate opportunity for a Fire Detection Inspecting & Testing Technician to join our team.

We are currently seeking a suitable person to be responsible for routine testing and inspection of Fire Detection Systems and documenting rectification work for our customers.

Key Qualities we are looking for in this role include:

- Prior industry experience in a similar role
- A sound working knowledge of Australian standard AS1851
- Excellent written and verbal communication skills
- A current driver's licence
- Construction Industry White/Blue Card
- Ability to obtain OCHRE and Police Clearance
- Strong focus on quality and client satisfaction
- Good personal presentation
- An A grade electrical licence (desirable)

This is a permanent full-time position offering career advancement opportunities, attractive conditions and excellent remuneration.

What the role looks like:

As a Fire Alarm Technician, you will be reporting to the service manager being responsible for field servicing of fire protection equipment.

- Inspection, testing and maintenance of commercial fire detection and EWIS systems to AS1851
- Fault finding related to the operation of these systems and recommending preventative maintenance
- Work closely with the service supervisor and testing coordinator to ensure work is completed as scheduled with tolerance
- Accurately and clearly complete on-site logbooks and attendance documentation
- Actively promote and achieve the sale from range of company products to all customers
- Perform the works required professionally strictly in accordance with the requirements of the relevant Australian Standards and client specification in the most effective and efficient manner
- Use of a Company Car + Uniform + Phone

If you would like to work for a leader in the Fire Protection Industry who is growing due to its new vision please send your application and resume to: service@efsnt.com.au after submitting your application feel free to contact Shane on 0438244058 or Drew on 0438244349
